*to all our wonderful children of  
St Day and Carharrack!  
Gosh, we miss you all so much!*

Our school grounds are looking lovely but it is far too peaceful without you all flying around sharing your latest ideas with us! I want you to know that we are all thinking of you and we are planning a number of surprises to welcome you all back when the time is right – the first one is below! You will love it!

**MYSTERY CHALLENGE! I need to know... WHO** has been doing **WHAT** and **WHERE...** **Answers to me if you think you can solve it!**

From all your photos, I can see you have been amazing at practising lots of virtues. Keep being kind, helpful, thankful and responsible. Just remember how well you follow our Golden Rules in school – you can do it at home and we will celebrate all your achievements when we are back together. It is ok to feel many different emotions – do you remember this special book? We have a new virtue called **UNITY** to link to the outdoors and to help us remember all the positives around us when we are missing each other.

**'UNITY'** helps us work and live together peacefully. We feel connected with each other and all living things. With unity, we accomplish more together than any one of us could alone. We solve upset through listening and finding solutions and see our differences as gifts.

How can we practise **UNITY** to care for the earth and each other? What can we do with our family on daily walks? What can we do as a school? What can we do as a community?

***We are looking forward to all your ideas!***

### ARE YOU UP FOR THE WALLY CHALLENGE?

There is still time to enter this competition and win a great WALLY prize, which will be sent to you! Where is Jacob?

Send all Wally information to Mrs Salter by **Thursday 14<sup>th</sup> May**.  
[msalter@st-day.cornwall.sch.uk](mailto:msalter@st-day.cornwall.sch.uk)

Mrs Salter is also receiving photos to celebrate and share all your exciting learning at home! **Please only send photos in if you are happy for them to be in our online collection.** We can't wait!

Today marks 75 years since the guns fell silent at the end of the war in Europe. We reflect on the enormous sacrifice, courage and determination of people from all walks of life who saw us through this dark period. To commemorate and celebrate this historic moment, send us your pictures of how you marked the day at home and we will share them next week.

**Keep well and safe. With best wishes to all our children, families, staff and community.**  
 Susannah Storey, Headteacher

## CELEBRATING OUR CHILDREN – HOME LEARNING

Please keep the photos rolling in – it is great to see what you are all getting up to and it cheers us all up! So many of you are having fun – Destiny and Esme enjoying the pool! Thank you Lucas and Leo for your thoughtful poem. Great, practical skills from Charlie and Amber. And Leo – amazing writing inspired by your brilliant lego model- I can't wait to find out what happens next! We are very proud of all of you. Your teachers will be calling again next week and we will celebrate your new outdoor learning. Have a great week ahead!

### The safari zone adventure by Leo HW

Leo and Rob were driving through the forest when they heard a loud roar, then the ground began to shake. Suddenly they saw a large yellow eye and a swaying long green tail, which was as long as a bus. But the rest of the mysterious creature was hidden by the thick branches covered with vines and leaves. Then it emerged and attacked, they soon realised it was a fully grown T-Rex, and it was hungry. They managed to escape and get it with a dart gun to put it to sleep, they struggled to get it into the dino truck as it was so heavy, they eventually did it. Leo drove the dino truck away ...**to be continued.**

oh how we miss ....  
 oh how we miss  
 going to the Beach  
 oh how we miss  
 going to the park  
 oh how we miss  
 going to the woods  
 oh how we miss  
 going to foot Ball practice  
 oh how we miss  
 going to Swimming lessons  
 oh how we miss  
 going to the Zoo  
 oh how we miss  
 going to skate park  
 but ...  
 most of all we miss  
 all of you  
 Stay Safe Love  
 Lucas + Leo HW

Charlie and Amber have been learning how to check for a puncture and how to fit an innertube and wheel on a bike! Great team work!
