

## KARATE READING

Reading Karate is about practising a skill and working your way up through a series of bands/belts. This will encourage and inspire your child to read regularly at home helping them to achieve all the different coloured wristbands. It's going to be great fun, boosting your child's self-image as a reader and developing their reading skills and strategies.

Parents and children will need to log their reads on Boomreader. This will be checked in school and counted up. **Only one read will be counted per day.** When your child has achieved 10 reads, the class teacher will present them with a white wristband. When they have read a further 15 times, the class teacher will swap the white wristband for a yellow one. This will continue until your child achieves their black wristband and becomes a Reading Karate Master!

Once your child has achieved their black wristband they will start the process again (black/white, black/yellow etc.) but they keep their black wristband. At the end of the academic year, your child will be able to keep any black wristband that they have achieved. There is no cost for this new reading incentive scheme, but we may ask for a small donation should bands get lost. **Reads count from Monday 25<sup>th</sup> September 2023.**

Happy Reading Karate!
