## OPAL CLASS

Dear Families

A steady week for Opal class last week. I am so excited at how much progress the children are making in their reading and RWInc lessons. Thank you for your continued support with listening to the children read at home this certainly makes a massive improvement in the children's learning. Again, however I must remind everyone how important it is that all children bring their book bag to school every day. Children must have their books inside their book bags –if they do not we will have to charge you for missing books. School continues to spend a lot of money on reading and every book lost has a negative impact on our resources in school.

I love the way some of the children have wanted to bring in their own pencil bags from home. This has certainly inspired writing in class. We look forward to sharing our lovely big book about the Gingerbread Men when you come into school for Parent Partnership meetings. Don't forget to book up, dates for these are below.

### This week's key reminders:
