Phonics Screening Check- Week Beginning Monday 10th June 2024

The countdown to the phonics screening check is on and it's not long before the children will be taking this assessment. In school, we are ensuring that extra practise is in place alongside daily phonics lessons. However, to support maximum success and progress, it is important that they continue to practise these skills at home.

Please see below a video that provides some more information on the phonics screening check:

You can support your child by:

- Reading their RWI book with them daily. Please log this on Boomreader!
- Reading the real and nonsense words together which will be sent home every week.
- Supporting them to watch the virtual classroom video that is sent home each week in this weekly email.
