

Dear Sapphire families,

I hope you have all had a wonderful summer, I can't believe how quickly these past weeks have flown but I am very excited to get started with this wonderful class. For some of our families I would like to say welcome back, I am so proud of how far your children have come since I had them in year 3 and I am excited to hit the ground running as we already know each other so well. For others, I would like to say hello and welcome to team Sapphire. I am so looking forward to getting to know you and your children over the next few weeks, Mr Hughes and I will be working closely together to make sure they all have a smooth transition. I have been able to get to know some of our lovely year 4s already through clubs last year or through siblings and I know we are going to have a wonderful start to the year together.

I know that transition can be tricky, especially on the very first day of term. Please find attached some photos of our new classroom and pegs and share these with your child to help them visualise walking in on our first day. **(Please see your email inbox for images.)** I am so looking forward to filling all our displays with their amazing learning and artwork.

If there is ever anything I can help you with, please don't hesitate to get in touch with me by email or grab Miss Pooley or myself at the gate.

Best wishes,
Miss Clark
