

## *Kindness and Respect*

### **INTRODUCING OUR NEW YR 4 & 5 SPORTS LEADERS!**

We are continuing with our themes of Kindness and Respect and celebrating more and more of our children for taking responsibility for their actions and making our school a happy and safe place. To congratulate all of our children we are investing in a range of activities at lunchtimes and break times to ensure everyone is engaged and there is a range of activities available. Our new Sports Leaders above will be giving freely of their time to help everyone enjoy lunchtimes. Mr Ayres came in to tell us all about our fantastic new Sports Council and Active Club. Twenty amazing children from years 4 and 5 have been carefully selected to be Sports Leaders and form our **Sports Council**. Every day, four of these children will lead an activity in the KS1 playground. They will be responsible for organising their equipment, setting up the activity and teaching the KS1 children. Mr Ayres will meet with our Sports Leaders every week to teach them new skills, help them prepare their equipment bags and help them be exceptional leaders. In addition to this, these children will meet once a month as the Sports Council with Mr Ayres and Miss Popperwell to discuss sport and active play in our school.

### **GLENDURGAN GARDENS**

This was an amazing day out for our Reception and Year 6 children. Year 6 spent the day exploring the grounds and problem solving. The children's behaviour was excellent and they showed maturity and kindness with our younger children. For some of our children, this was the first visit to a National Trust gardens and as one child said, 'It was the best trip ever, it left a real impression in my head and I want to go again'. Year 6 have written a book of Tanka poems based on our visit, which the children will be sharing with families at the end of term.

## IMAGINATION STATION!

Alongside Sports Leaders, we are introducing Imagination Station play equipment in both the Key Stage 1 and Key Stage 2 playgrounds over the next few weeks. This equipment includes: tyres, planks, tubing, guttering, materials, netting and a whole host of other items that the children can access to make dens, obstacle courses, giant marble runs and anything else they can imagine! The child-led nature of loose parts in combination with children's creativity and inventiveness results in endless different ways of using the equipment so all ages, genders and abilities find ways to play and socialise together.

## YEAR 5 CHALLENGE DAY

A big congratulations to Naomie, Theo, Ellie and Daniel who visited Truro school this week to participate in the Truro School Challenge Day. They completed a number of challenges based around English and competed against year 5 pupils from other local primary schools. They worked well together to construct a story and then perform it using only a few random objects as inspiration. Naomi said, 'It was a good day although we were a bit nervous about performing. We didn't come first, second or third but that doesn't matter! We really enjoyed our pasta lunch.' Well done to the four of you! Thank you for representing yourselves and our school so brilliantly.

## CONGRATULATIONS TO OUR GOLDEN STARS

**Opal class - Mona Lisa** for following instructions and a great school trip.

**Lara-Leigh** for enthusiasm and 100% effort in all she does. Kind to friends and supports others when working in groups.

**Jade Class - Khaleen** for always supporting others and being a good role model.

**Freddie** for always being helpful and supporting others.

**Amber Class - Leo** for being a kind friend and supporting others.

**Scarlett** for always being helpful and supporting others.

**Topaz Class - Imogen** for being a great role model and supporting others.

**Riley** for excellent editing and responding to feedback comments.

**Emerald Class - Osher** for having a positive attitude to learning with great independent and confident maths.

**Gypsy Girl** for settling back into school well.

**Sapphire Class- Tiana** for showing a brilliant attitude towards her writing this week, and for making good choices at break and lunchtimes.

**Daniel** for quality contributions to class discussions – thoughtful and relevant points made.

**Turquoise Class - Ellie** for kindness and patience in bucketsful.

**Leona** for always having the courage to try.

**We are very proud of all our children**

*Thank you – The St Day and Carharrack Team*

## REMINDERS

**SUNSHINE, SHOWERS, RAIN COATS and WATER BOTTLES-** Please can we ask for sun cream to be applied before school and for water bottles, sunhats and **waterproof coats** to be in school daily due to the changeable weather. A number of older children were caught out in the rain today! Well done to KS 1 for all being prepared.
