16th January 2020

Dear Families

On Friday 31st January 2020, the school's new allocated Parenting Worker, Rachel Wilson-Powell, will be in school at 09:00 for an informal meet and greet session with families. This will be an opportunity to hear about what her role has to offer and how this might benefit your child and family.

Currently, Rachel supports and leads parenting programmes which are group based; in particular she can support with the referrals to, and attendance at the 'Passionate about ADHD' and 'Passionate about ASD' programmes. Rachel also supports the 'Incredible Years' programme which explores behaviour management and strategies to support in the home. Rachel will undertake one-to-one work with any family – your child does not need to have a Special Educational Need to work with her.

Rachel comes to our school with a wealth of knowledge about primary-aged children and their development; we are excited to be able to work with her. We are looking at working with her to see how we can use school as a place for you to best access what she can offer.

Please do come along to meet her on the 31st if you can; tea and coffee will be available and we will be able to accommodate younger children should you need to bring them along. There's no need to sign up, simply show up on the morning via the school office.

With regards

Laura Vallance
Deputy Headteacher/SENCO
