EMERGENCY CHILDCARE FOR VULNERABLE CHILDREN AND CRITICAL KEY WORKERS

Dear Families

Thank you for informing school of your critical key worker role. You are now on the school's critical register and any communication regarding the school's partial opening will be sent to you directly.

This will be reviewed daily and weekly in line with advice from the government – please contact the school by email if your circumstances change.

Please understand that this provision is only for children who are unable to safely stay at home with another family member. **Your child will be at greater risk of exposure to the virus by being at school due to the close proximity of front line workers' children.**

I will send an email out each Friday afternoon to confirm arrangements once Hayley has confirmed numbers of children in attendance.

We have put in strict measures to protect staff, children and families from the spread of infection:

- Parents will not be allowed into the school building.
- Children will be met by the provision leader at the side of the school hall entrance at 8.55 am - not before.
- Children will wash their hands as soon as they enter the school building. *This will be repeated before handing the children back to you at 3:10pm.*
- We will be ensuring appropriate social distancing measures during provision – this includes children and staff - and will involve your child having their own desk.
- All children will be required to **bring in:**
 - packed lunch and water bottle**
 - pencil case**
 - own mini hand gel bottle and pocket tissues if you have available**
 - reading book**
 - own game/activity (optional) – for quiet time**

- Children should not wear school uniform – children should come to school in warm clothes suitable for the outdoors – including hats and gloves if your child feels the cold – as we are aiming to spend time outside throughout the day.

If your child is returning the following day – please ensure they have a change of clean clothes.

It is important that you speak with your child before they attend, explaining that it will not be

'school' as they expect and it is likely they will not have close friends in attendance. As a staff, we will do everything to make them feel safe, secure and happy.

A member of the Senior Leadership Team will always be available whilst we are open. This will either be Ms Vallance, Ms Popperwell, Ms Horne or myself.

Any questions, please do not hesitate to get in contact with me.

Yours sincerely

Susannah Storey
