Introduction

St Day and Carharrack Community School is a primary school and the Governing Body is the Admission Authority for the school.

The school will participate fully in the Local Authority's Fair Access Protocol and the Local Authority's Co-ordinated Admissions Schemes in accordance with the School Admission Code 2021 for starting school and applying for a place during the school year. Details of these schemes are available on the Council's website (www.cornwall.gov.uk/admissions) or on request from the Local Authority. Closing dates and other details about the application process will be stated in those schemes.

Applying for a place

All applications for places in Reception or during the school year must be made direct to the applicant's home authority on the appropriate Common Application Form (CAF). The CAF and supporting information will be available electronically on the Local

Authority's website or in paper form on request from the Local Authority. There is no supplementary information form required by the Governing Body.

Places in Reception will be allocated as full time from September. If you wish to ask for part-time admission, you must do so as soon as possible after receiving your notification of a place. You can request that your child attends part-time until they are of compulsory school age.

Allocation of places

Children with a Education, Health and Care Plan that names the school will be admitted regardless of the number on roll in the year group.

Children in Care who are directed to the school by the Local Authority (or Secretary of State in the case of academies) will be admitted to the school regardless of the number on roll in the year group.

The published admission number (PAN) for reception in 2023/24 will be 30. Places will be allocated up to this number. In the event that more applications are received than places available, the oversubscription criteria listed later in this document will be used to decide on allocations.

Deferred entry

Places in reception will be allocated as full time from September. However, parents/carers are able to request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age or request that their child takes up the place part-time until they are of compulsory school age. Parents/carers should direct any request to the Headteacher.

Placement outside the normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Parents should contact the Headteacher in the first instance and the admission authority will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned.

Appeals

Applicants refused a place at the school have the right of appeal. Appeals are heard by an independent appeals panel arranged by the Local Authority on behalf of the Governing Body. Applicants can only appeal again for a place in the same school within the same academic year if the admission authority for that school has accepted a further application because there has been a significant and material change in the circumstances of the parent or carer, child or school (e.g. a change of address into a school's designated area), but has determined that the new application must also be refused.

Waiting lists

If the school is oversubscribed, a waiting list will be held from when allocations have been made and parents/carers can request that their child is added to this list. A pupil's position on the list will be determined by the criteria set out below. Children's places on a waiting list are subject to change according to additional information received about applications or children being added to the list. No priority is given to the length of time that a child has been on the list.

Oversubscription Criteria primary

In the event of there being more than **30** applications for places in reception for the 2023-24 academic year or more applications than places for any year group during the school year, the following oversubscription criteria will be used to prioritise applications, after the admission of children whose Education, Health and Care Plan names the school:

1. Children in care or children that were previously in care but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in care as a result of being adopted. ¹
2. Children who live within the designated area of the school, as defined by the Local Authority, or whose parents/carers can provide evidence that they will be living in the designated area of the school by the beginning of the autumn term of the 2023 school year.

If there are more designated area children wanting places at a school than there are places available, the following criteria 3 to 5 will be used to decide which of these children should have priority for admission. If there are still places available after all the designated area children have been allocated places, criteria 3 to 5 will be used to decide which of the remaining children should have priority for any spare places.

3. Children with an unequivocal professional recommendation from a doctor, school medical officer, educational psychologist or education welfare officer that non-placement at the school would not be in the best interest of the child. Such recommendations must be made in writing and must give full supporting reasons and will be reviewed by the LA.
4. Children with siblings who will still be attending the school at the time of their admission.

Notes and definitions

Children in care and children who were previously in care

A 'child in care' is also referred to as a 'looked after child' and is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

A 'Child Arrangement Order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'Special Guardianship Order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society (see Section 23ZZA(8) of the Children Act 1989 (inserted by Section 4 of the Children and Social Work Act 2017)).

Designated areas

Cornwall Council has divided the County into geographical areas. Each of these areas is served by a specific primary school, or in some cases, groups of schools. These areas are called 'designated areas' (you may also have heard these areas referred to as 'catchment' areas). Not all schools prioritise on the basis of designated area or use the Local Authority's defined area, however, entitlement to home to school transport will still be based on these areas. Your designated school will not always be the one nearest to your home address. Maps are available for all designated areas online at: www.cornwall.gov.uk/admissions or by calling the School Admissions Team on 0300 1234 101 or emailing: schooladmissions@cornwall.gov.uk.

If you are planning to move into the designated area of St Day and Carharrack Community School, your application for a place for your child will not be given the priority accorded to designated area pupils without firm evidence of your new address and moving date, such as a copy of a signed and dated tenancy agreement or confirmation that contracts have been exchanged.

Professional recommendation for admission

If you think your child meets this criterion, as described in the Oversubscription Criteria, you must send the relevant written evidence to the Local Authority.

Siblings

'Siblings' means brothers or sisters. They are defined as children with at least one natural or adoptive parent in common, living at the same or a different address. Children living permanently in the same household at the same address would also be counted as siblings, regardless of their actual relationship to each other. To qualify as a sibling a child must be on the roll of the school in question at the date of application, allocation and admission.

Tie-breakers

If any of the criteria outlined above leave more children with an equal claim than places available, priority will be given to the child who lives nearer to the preferred school.

Final tie-breaker

Should the tie-breakers above still leave children with an equal claim because distances are exactly the same, random allocation will be used to decide on priority. The school will use the Local Authority's Random Allocation Protocol which is available on request.

Distances

Home to school distances used for tie-breaking will be measured by a straight-line measurement as determined by SAM and supported by Cornwall Council's chosen Geographical Information System. Measurements will be between your home address using Ordnance Survey's AddressPoint dataset (usually the centre of the main building of the property) and the main gate of the school (as determined by Cornwall Council).

Distances used to determine nearest school with room (i.e. where it is not possible to offer a place at a preferred school) and for establishing transport entitlements will be measured by the nearest available route as determined by the LA's chosen Geographical Information System.

Home address

Each child may have one registered address only for the purposes of determining priority for admission and transport entitlement. This address should be the place where the child is normally resident. If there is shared residence of the child or a query is raised regarding the validity of an address, it may be necessary to use the address of the person receiving child benefit for the child. If this is inconclusive, the registered address would be considered to be the address at which the child spends the majority of days during the school week. It is expected that parents will submit only one application for each child and any disputes in relation to the child's home address are settled before applying.

Multiple birth siblings

Where applications are received on behalf of 'multiple birth siblings' (i.e. twins, triplets, etc.) or siblings whose dates of birth place them in the same chronological year group, every effort will be made to offer places at the school, which may mean allocating places above the Published Admission Number (PAN) where that is possible. It is possible to admit multiple birth siblings as 'excepted pupils' over the infant class size limit.

Policy agreed by the Governing Body on:

Next review date:

If your child has an Education, Health and Care Plan (EHC Plan), you **do not** need to complete an application form as a school place will be identified through a separate process. Please contact the SEN Assessment and Provision Team for more information:

Tel: 01872 324242

Email: specialeducation@cornwall.gov.uk

However, **if a request has been made for an EHC needs assessment** for your child, or your child is **currently being assessed** to decide whether an EHC Plan is necessary, you will need to make an application using the normal process.
