Rights Respecting Changemakers for St Day and Carharrack School

On the **19th November**, we celebrate World Children's Day, the anniversary of the adoption of the Convention on the Rights of the Child. It's a global day of action *for* children, *by* children. This couldn't be a better time to celebrate **Children In Need** incorporating the children's passion and vision by helping others to make a positive change. Our pupil led steering group meet every Friday paving the way for positive change in school, their immediate community and globally.

Today they were given the **EXCITING** news that

St Day and Carharrack School has officially been

Awarded the **BRONZE AWARD**, as a **Rights Committed School**. The next two steps along the journey are Silver then Gold. We are very proud of the group already and excited by their passion and commitment to their school, community and global desires. **Well done everyone!**

This is their logo they designed themselves!

SPORTING ACHIEVEMENTS - Brilliant Basketball!

Two teams of basketballers travelled to Redruth School to represent us in a basketball tournament last week. This was the first competitive basketball tournament they had played in. They started the afternoon feeling a bit nervous but by encouraging and supporting each other, they settled down and began to play with confidence and skill. At the end of the afternoon, both teams had performed superbly and between them finished in first place by

scoring the most points! A truly amazing display of teamwork, resilience and determination. Big thanks to Mr Chinn for supporting them on the day and to Mr Ayre for his weekly coaching - great team effort by all. Next week we look forward to playing in a year 5 and 6 football tournament.

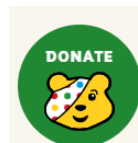

Children in Need

Friday 19th November 2021

Children in St Day and Carharrack School have kindly decided to support **Children In Need** by challenging themselves to run 3miles (per class) around the school field for YOUR kind donations to Children In Need! The decision to complete this challenge has stemmed from learning about how children in other countries - having to walk 3-13 miles a day to receive an education. PLEASE support the passion they show to this cause. You can DONATE through ParentPay or direct to Children In Need using the following link:
