

Hello families,

I hope this email finds you well.

This week, we are celebrating National Storytelling Week. We'll be sharing lots of stories with the children using our best storyteller voices. There are lots of activities you can also do at home to promote a love of reading. Please follow the link below. [Celebrate Storytelling Week at home | Words for Life](#)

We are now less than two weeks away from our dance performance at The Regal Theatre in Redruth. Please can I have outstanding permission slips returned by Wednesday. The children are working incredibly hard as a group therefore every child attending is incredibly important. The theme for the event is **Express Yourself**. T-shirts have been ordered, however children have chosen to express themselves through different hairstyles, hats and possibly glitter face paint. Please can you support with this at home. All children are expected to wear trainers and dark PE bottoms.

Parent Partnership Meetings can now be booked. Please do this online as usual. Seeing your child's progress is paramount to their success at school and there is lots to celebrate. Our PE sessions will run on Monday and Thursday as usual. Year 4 children will also swim on Monday. On Monday, Year 3 children will begin their RSE curriculum. We'll begin by discussing the scientific definitions for male and female body parts.

As always, water in water bottles and healthy snacks for breaktime. If you need anything, please get in touch.

Have a great week,

Mr Hughes
