SONGFEST PERFORMERS – SPECTACULAR!

What an absolute privilege for our amazing singers to perform on stage at The Regal Theatre with other schools from across Cornwall. Thank you to all the parents for making this superb performance – I am sure you agree, every single performance was powerful, high energy and with important messages that support our school vision of self-belief, determination and courage. St Day and Carharrack children, you certainly 'let your light shine out' and showed that it is possible to cope with any challenge. A super well done and massive thanks to Linda Vanstone for working relentlessly to support the choir. Look out, we will be holding a performance in school at the end of term.

WORLD BOOK DAY and CELEBRATING ST PIRANS

St Day and Carharrack children really put the focus on **READING** all day long – enjoying books together and raising money for Australian Bush fires. More

fundraising to come with a Year 6 and Opal class visit to Tesco on Wednesday 18th March.

SPORTS NEWS ROUND UP

We have been active with many sporting events this term. Our 'Chance to Shine' cricket is continuing in year 2 and 4 with Craig the coach. Following an assembly today, we will send out information to take part in the Chance to Shine Cricket programme, which is held at Redruth Cricket Club.

Year 6 took part in a basketball tournament with local Primary schools and were successful in winning their final game 10 -0! The children were great ambassadors for the school showing true sportsmanship and resilience.

The postponed Cross Country will now take place on Tuesday 17th March, we have a number of children that qualified for this next round and are very proud of their achievements so far. Good luck for this next round and let us see if, for the first time ever, we can get a team to run in the finals at Newquay later on this term!

Also very pleasing is the number of children being ready for their PE learning with correct kit - this is **essential** for all our children. Please make sure your child is ready for their PE learning by having PE kit in school **everyday**.

'BEING PASSIONATE ABOUT PARENTING' REMINDER

A reminder for all families about the Being Passionate about Parenting course happening this Thursday 12th - 09:30-14:30 in the school hall. We now have enough families signed up to the course for it to go ahead but there are plenty more spaces to be filled! The more people there are, the more we can share experiences and explore what works well for our children. **If you are signed up already, please bring a packed lunch** and drink. We look forward to seeing you on Thursday.

SEN TEA AND TALK

For parents of children with SEN, your invite to our next SEN 'Tea and Talk' morning has been sent. This is on Thursday 25th March 09:00-10:00 in the school hall with Ms Vallance. The topic of our talk this time will be 'transition'. We look forward to seeing as many of you as possible.
