

# Shoebox of Special Things

During our first 'Getting to Know You' session in the future, it would be lovely to share a 'shoebox of special things'. We will be able to talk together about what we've brought in. Please decorate the lid at home and we will decorate the sides together in school. The shoebox can include photographs or art work as well as physical objects which are significant or tell us something about you. Here are some ideas on what you could include:

<p>A photograph of my family</p> 	<p>Something which tells you about my personality</p> 	<p>An object of my favourite colour</p> 
<p>Something I like</p> 	<p>Something I don't like</p> 	<p>Something which I have made</p> 
<p>My favourite book</p> 	<p>My favourite game or TV</p> 	<p>My favourite food</p> 
<p>Something I'm proud of</p> 	<p>How I'm feeling about starting school</p> 	<p>Draw a picture of your house. What have you enjoyed during Covid-19?</p> 

Those are just some ideas!  
Please also include anything else which you think is relevant or important.  
Thank you.
