

W/C 19/02/24

Hello families,

I hope you have enjoyed the half-term break. We managed to enjoy the sunshine in-between all the rain.

This week, we'll hit the ground running with a number of subjects to finish. In Literacy, we'll complete our instructions ready to begin a narrative. We will also finish history and music ready to begin geography, computing and Spanish next week. In maths, we are beginning a new subject area – multiplication of 2-digit numbers.

Thank you to all those who attended our Parent Partnership Meetings. Our main priority continues to be reading. Reading is key to accessing the wider curriculum. Every child has made progress but we need your help to keep this going. Every child, every day - a reader.

Year 4 children will continue to swim each Monday and our PE day is Thursday. On Monday, Year 3 children will complete their RSE learning. Please be aware on **Thursday 14th March 2024** the children will be going on a school trip to Truro Museum and Truro Cathedral. I'll send out a letter in the coming weeks.

New spellings for this term have been uploaded to our class page. Please follow the link [Spellings](#). I'll also send a paper copy home on Monday. As always, water in water bottles and healthy snacks.

If you need anything, please get in touch.

Thanks,

Mr Hughes
