20<sup>th</sup> January 2020

Dear Parent/Carer

### Reception Class Castle Beach Trip

On the morning of **Wednesday 22<sup>nd</sup> January 2020** Reception class will be having fun visiting Castle Beach where we will begin our learning about the seaside. Through our topic of space, children are developing a real interest around planet Earth and how to look after it. Our beach trip will be one of many, where we will begin to understand the differences in habitats and animal life. We will also do a litter pick, collect shells and discuss how to keep the beaches clean in order to save the sea creatures and animal life beyond. With climate change continuing, this is an important part of learning for our very young children.

Your child(ren) does not need to wear uniform to the beach but a spare set of clothes would be useful to change into when we arrive back. It is **essential that they have suitable clothing and wellies**. We will be travelling by minibus leaving school at 9.30am and returning for lunch (12ish). We are asking for a voluntary contribution of £2.00 per child to help towards the cost of the transport.

**All medication, especially inhalers must be given to the office or class teacher before the trip.**

This trip is covered under the consent form completed at the start of term.

Please complete the slip below and return to the school office tomorrow (Tuesday 21<sup>st</sup> January).

Yours sincerely

Miss Horne  
Opal Class Teacher
