

10<sup>th</sup> October 2022

Dear Families,

I hope you have enjoyed the weekend. We had another busy week jam-packed with lots of exiting learning including our walk to the park. For more information, please visit the school website for all the latest Opal News. Visit <http://www.st-day.cornwall.sch.uk>, click the 'Learning' tab then down to 'Opal Class - Year R (EYFS)'. This will be updated each Monday so you are prepared for the week ahead. This page delivers all the information you need regarding Opal's learning journey. Please meet the team, explore our learning, read how you can help your child at home and catch up with the Opal News.

### Harvest Festival Thursday 13<sup>th</sup> October

Together with Amber and Jade classes, we are inviting families into school on Thursday 13<sup>th</sup> October 2.45pm. If the weather is fine we plan to meet on the infant playground to enjoy our spectacular soup (cooked by Jade and Opal class) and bread rolls (cooked by Amber class). We are learning a song for our **BIG Harvest Soup** spectacular this week so we would love to see you there.

### Church Visit

A real success! I hope the children shared their 'walk' news with you at home. It was a real success and the children were brilliantly behaved, following ALL the golden rules. We can build on this now and discuss features of the local environment. Our next plan is to walk around the village of St Day, noting key features of the village. After that, we plan to walk to Carharrack Park. Children are beginning to learn more about their immediate surroundings and talk about where they live and come from.

### **VEGETABLES, VEGETABLES!**

Please would it be possible for every child to bring in a vegetable to contribute to our spectacular soup making session this week.

**Needed for Tuesday and Wednesday please.**

For example, carrots, sweet potato, celery, squash, onion, potato etc

Thank you!

### **HOMEWORK**

The children are proud of their homework. Please take the time to support your children with this at home. The children are excited and can't wait to share this learning with you, however, please do this in your own time. I suggest you complete this when you are rested and raring to go. The last thing you want to do is feel under pressure. Take your time and spend time practising the sounds, tracing the letter and saying the ditty. Children can then begin to form the letter sound using the ditty to help them. I look forward to seeing them in school. I will send more letter sound sheets out at the end of the week.

As always, please get in touch if you need anything.

Thanks **Miss Viv Horne Opal Class**
