1. O the holly bears a prickle  
So sharp as a thorn  
And at Christmas in the morning  
Our sweet Saviour was born

*Ha kana kelyn*  
*Hag an kynsa gwedhen yn an koos*

2. O the holly bears a blossom  
So white as the snow  
And Mary bore our saviour  
For to save us from woe

3. O the holly bears a bark  
So black as the coal  
And Mary bore our Saviour  
Who died for us all

4. O the holly bears a berry  
So red as the blood  
And Mary bore our Saviour  
For to do sinners good

5. We shall all be as dead  
As a stone in the lane  
And in the next world  
We shall all live again
