The Topaz Trumpet

Edition 2 – 20.4.202

Dear Team Topaz

How are you all? Mr Hayes, Ms Vallance and Mrs Salter hope you are all well, have been enjoying your time at home and have done a bit of learning. Thank you so much for all your wonderful emails and photos telling us and showing us what you have been doing – we can see lots of you have great talents and are learning new skills. These are celebrated on the last page of this week's learning guide so you can see what your friends have been up to.

Mr Hayes has been busy walking his dog Flora, and he has been running lots – he is keen to do lots of outdoor P.E. with you when we get back to school.

This week, Ms Vallance baked the best cookies

she's ever made. She was quite surprised with herself!

She's also been on the trampoline with her daughter – did you see our video?

You'll see Mrs Salter has been teaching her new puppy phonics! He's got very good at remembering his set 1 and 2 sounds...he can now say 'oo' for 'food'.

Take a look at this week's learning guide to see how you can keep your brain and body busy. Remember to read every day and be helpful at home. Keep sending us your messages and photos and Team Topaz adults look forward to speaking on the phone to you also.

Virtues of Thankfulness and Kindness

How have you been **kind** this week?

What are you **thankful** for?

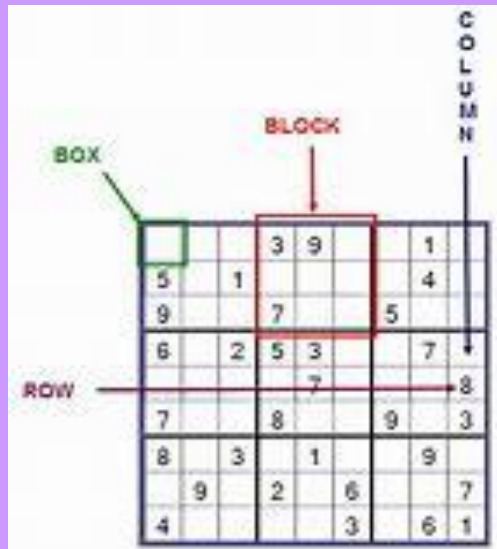

CHALLENGE: This famous Cornish artist produces big, bright and colourful pieces of places around Cornwall. Can you name the location painted in his one of his pieces here? Can you find out his name?

Mr Hayes has spoken to a few of you about Sudoku. Have a go at this one below – the answer will be in next week’s newsletter!

Sudoku Strategy Tips –the Basic Sudoku Rules

- The numbers 1-9 must all appear in each row, column and 3×3 block of the 9×9 grid.
- You may need to try the numbers in different places – this is called ‘trial and error’
- There is only one solution to a Sudoku puzzle.
