

Hello everyone,

I hope you have had a good weekend.

A huge thank you to everyone who came and supported our Easter Fayre on Friday- what a great turnout! An extra thank you to those parents who helped organise and run the fayre, we are extremely lucky and grateful to have so much support.

Easter Family Gathering- This Tuesday- 2.20-3.00pm

(Opal, Jade and Amber classes only)- The children would love to invite 2 members of their family into school to share their learning before we break up for our Easter holidays. Come and join us for a song and some Easter treats on Tuesday afternoon. The children are also welcome to bring in their decorated Easter Bonnets on Tuesday. If they haven't yet made this, they can be as creative as they like, OR, they may wear their favourite hat from home!

Learning pack for the Easter holidays:

This week I will be sending a small learning pack home for the Easter Holidays. In this pack, there are some tasks that the children could do to keep themselves busy during the holidays. These tasks are not an expectation and they do not have to do these. However, if the children would like to have a go at some of these tasks, then that would be great. The most effective way to support your child at home over the Easter holidays is to **read with them every day**. Not only will it help them to progress, but listening to your child read will also help them to build self-esteem, vocabulary, imagination and even improve their sleeping pattern. Please continue to log any reads on **Boomreader**- the children are very excited to reach their next karate band. Thank you!

Key reminders for this week:

- PE day will be on Thursday.
- As always, please ensure your child comes to school with a coat, water bottle and their red book bag.
- We will be breaking up for the Easter holidays on Thursday at 1:10pm. There will be no afterschool club. We will return to school on Monday 15th April. The raffle will be drawn on Thursday and the children will go home with the prizes.

This week's phonics virtual classroom videos:

Sound blending and Red: <https://schools.ruthmiskin.com/training/view/vgswYphf/vu9fBOvk>
