

Hello everyone,

I hope you have all had a lovely summer and have managed to enjoy some of the sunshine!

I am very excited to see everyone tomorrow and welcoming Jade class into their new classroom.

#### Entrance and Exit reminder:

Please could the children enter the school via the green gate next to the hall which feeds into the KS1 playground. I will ensure that I am there to greet the children and make this transition back to school as smooth and positive as possible.

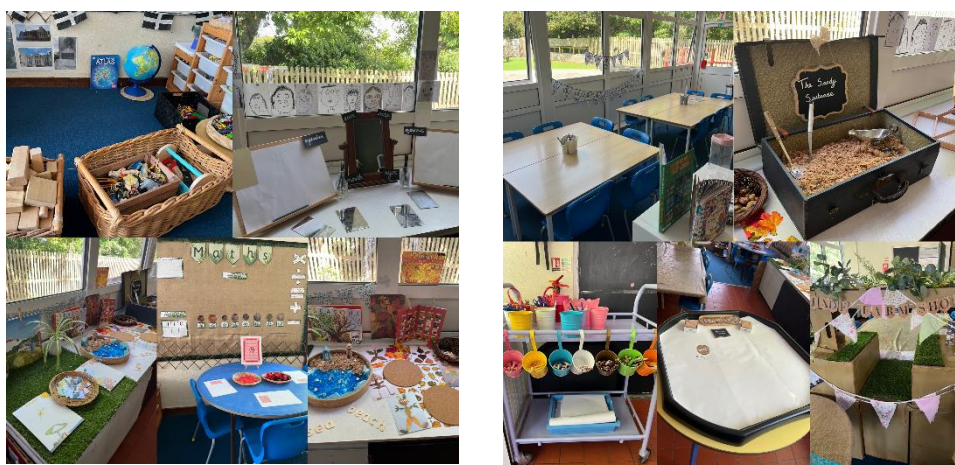

#### Lunches:

Please remember to book your lunches through ParentPay. If you have any issues with this then please contact the office who will be able to support.

#### Reminders for this week:

- It is really important that the children remember to bring in their **red book bags everyday** so that we can start sending books home with them.
- They will also need to bring in their **water bottle**. Due to the glorious weather this week, please ensure your child applies **sun cream** before coming to school. It is important that they bring this to school with them to top-up throughout the day and also a **sunhat**.
- **PE day will be on Friday**. This may change throughout the next few weeks so please keep an eye out for weekly emails.
- Homework- At the start of next week I will begin to send out some homework. For now, please continue to **read daily with your child**. It would be great if they could practise some of their '**tricky red words**' at home. Please go through these words and see if the children can spot them in their reading books or put that word into a sentence. I have attached a list to this email. Thank you!

I am so excited to be your child's teacher and I know that it is going to be a fantastic year! Please don't hesitate to contact me if you have any questions or concerns at all. Please see a few snippets of the classroom below:

Many thanks,

Miss Ponsford
