

15.4.24

Good morning,

I hope everyone had a fantastic Easter break. I spent a lot of the time (weather permitting) doing my best to lay paving slabs in my garden!

We have reached the Summer term and suddenly the end of the year feels very close. I've had a fantastic time so far with Amber Class and I know we will continue this over the next couple of months.

This term we will have a strong focus on writing and grammar - readying ourselves for Key Stage 2. This will involve writing letters, narratives, newspaper articles and poetry among other genres.

In maths we begin our next unit - fractions. We will begin this week by considering parts and wholes before moving on to halves, quarters and thirds in the next two weeks.

History will be our focus foundation subject this term and we will be learning all about Mary Seacole. This will link to our art work as well as our reading where we will learn about other aspects of black history.

Please see the summer term curriculum leaflet which will come home soon for more details. It will also be available to view on the class page of the school website.

As always, please ensure children are reading each day at home - **every child, every day - a reader**

**PE this week, and each week this half term, will be on Thursday.**

Thank you,

S Autie
