Tut Tut Tutankhamun  
 Tut Tut Tutankhamun  
 Tut Tut Tutankhamun  
 Tut tut tut tut Tutankhamun. [x2]

Hidden for thousands of years, [0'27"]  
 Away from the sun and the moon.  
 The Valley of Kings has secrets to share;  
 The tomb of Tutankhamun. *Tut Tut Tutankhamun ...*

1. Wonderful things we can see, [0'55"]  
 The glitter and gleaming of gold.  
 Two statues guard the chamber walls;  
 What mysteries lie untold?  
 Treasures of turquoise and gold,  
 Shabtis to serve all your needs.  
 Gods to guard your journey through  
 To the afterlife: you shall proceed!

Hidden for thousands of years, [1'35"]  
 Away from the sun and the moon.  
 The Valley of Kings has secrets to share,  
 The tomb of Tutankhamun. *Tut Tut Tutankhamun ...*

2. Canopic jars for the juiciest bits, [2'04"]  
 The brain was thrown away.  
 A body bound in bandages,  
 Embalmed to stop decay.  
 Four shrines, a sarcophagus,  
 Then three more coffins of gold.  
 And finally the Pharaoh is found  
 In a golden mask; his beauty behold!

Hidden for thousands of years, [2'43"]  
 Away from the sun and the moon.  
 The Valley of Kings has secrets to share,  
 The tomb of Tutankhamun. *Tut Tut Tutankhamun ...*

3. Paintings honour the Gods, [3'11"]  
 Hieroglyphics wait to be read.  
 Spells taken from the book of the dead,  
 Protect from the beasts ahead!  
 Was your heart heavy with sin,  
 Weighed against feathers of truth?  
 Did demons eat your precious heart,  
 Or did goodness fill your youth?

*Tut Tut Tutankhamun ... [x2]* [3'47"]  
*Tutankhamun!*
