

W/C 20/11/23

Hello families,

I hope this email finds you well.

Thank you for the kind donations of wool. The children are extremely excited to be making gonks for the St Day Christmas Fayre. We could do with more, especially white/cream, if you have any spare. We'll begin construction on Wednesday this week. On the theme of donations, we are also collecting for the homeless this Christmas. Any donations of tinned and packaged foods, dried foods (cereal, pasta), toiletries and dog food would be much appreciated.

This week, we'll complete our Harry Potter setting descriptions. The children have been using similes, personification and alliteration brilliantly. We'll first piece together all our writing, check for consistent tense, elevate our writing using subordinate conjunctions, edit and publish. In maths, we are adding and subtracting using column method. As mathematicians, we'll also look at word problems to apply this learning.

Thank you for attending the Mini Marathon. The children were fantastic. Sponsorship cards will be sent home tomorrow with lap amounts. Please can any sponsorship money be handed in by the end of the week. As always, homework is due on Monday and our PE day is Tuesday.

Please continue to read at home. Every child, every day, a reader. Children should also be accessing TTRockstars and Spelling Shed to support their learning in class. If you require any logins, please get in touch.

Have a great week,

Mr Hughes
