

Outside Learning

At St Day and Caharrack Community School we are fortunate to have our own woodland and adjoining orchard. This beautiful space is situated in the school grounds enabling our children to regularly take part in outdoor learning whatever the weather.

We are an inclusive school believing that every child is unique and able to reach their full potential through the nurturing environments we provide. - inside and outside.

School Times

Children in Reception (EYFS) class begin school at 8.45am and are greeted by Miss Horne at the gate. Our school day officially starts at 8.55am with the morning register when all children must be present to receive an attendance mark.

The school day finishes at 3.00pm and children need to be collected outside the atrium.

Please inform the school office or staff in advance and in writing if any person other than yourself is to collect your child.

Snack and Drinks Bottles

Fruit and milk is provided by school however if your child would prefer an alternative healthy snack like a cereal bar please send this in. Children must bring in their own drinks bottle filled with water only. We encourage the children to drink water only in school.

School Reading Bags

This is essential to ensure your child reads everyday. You can order and pay for a school reading bag from the office on 21 June at a cost of £4.30.

Clothing

Please **label everything including children's shoes.**

Children must come to school prepared for all weathers—including a coat! Wet weather gear is provided in school however we ask that ALL children bring a spare change of **clothes just in case – especially socks and underwear!**

*We are the **CHANGE-MAKERS** of OUR WORLD!*

ENJOYING, ENGAGING, EXCELLING

Happy, healthy children, **enjoying** learning for life - surrounded by kind, respectful relationships and **engaging** in rich learning experiences. **Together** we will enable and encourage **ALL** our children to discover their unique gifts of character, talents and abilities. Our children will enthusiastically contribute to society, **excelling** in all they choose to do. They will communicate confidently, listen openly, think critically and question respectfully – our children will be the responsible **Change-Makers of Our World**.

Curriculum

The Early Years Foundation Stage (EYFS) is the stage of education for children from birth to the end of the Reception year. It is based on the recognition that children learn best through planned play experiences and **active** learning.

Children have the opportunity to learn in a fully equipped environment that promotes positive learning experiences exploring skills such as independence and resilience. The learning is led through specifically planned whole class, small group, individual and continuous provision activities.

There are 7 themes of learning and Development.

Prime areas of learning:

Communication and Language

Personal, Social and Emotional Development

Physical Development

Specific areas of learning include:

Literacy

Mathematics

Understanding the World

Expressive Arts and Design
