

Hello everyone,

I hope you have had a lovely weekend.

Neurodiversity week:

This week is **Neurodiversity Celebration week** and we are celebrating it across our school. Everyone is different! That's what neurodiversity is all about! Some people's brains work in ways that might seem a little different from what we're used to. For example, some people might think and learn in ways that are unique to them. They might need extra help or support sometimes, and that's totally okay! **Neurodiversity is about celebrating these differences and understanding that it's what makes each of us special.** So, whether someone's brain works differently because they're autistic, have ADHD, dyslexia, or other specific needs, it's important to be kind, accepting, and supportive. We can all learn from each other and make the world a better place together!

Easter Family Gathering- Tuesday 26th March- 2.20-3.00pm

(Opal, Jade and Amber classes only)- The children would love to invite 2 members of their family into school to share in their learning before we break up for our Easter holidays. Come and join us for a song and some Easter treats!

Easter Bonnet Parade

It wouldn't be Easter without an Easter bonnet! For a bit of fun, we would love to invite the children to make an Easter Bonnet with you at home to wear to our Easter Family Gathering. You can be as creative as you like, OR, children may wear their favourite hat from home!

Every Child, Every Day a Reader –Boomreader app

Thank you to those families recording on Boomreader. It makes such a difference when we know you are hearing the children read at home as well. It has such a positive impact on the children's confidence and enjoyment in reading.

Key reminders for this week:

- PE day will be on Wednesday.
- SEND Tea and Talk- 9am on Wednesday in the hall.
- This week will be the last week of clubs
- Please join us for the Easter Fair on Friday which will be in the school hall. This will start at 1:15pm
