18<sup>th</sup> March 2019

Dear Parents/Carers

On Thursday 4<sup>th</sup> April Year 6 will have the exciting opportunity to visit the United Downs Deep Geothermal Power Project. Whilst there they will

- Meet two members of the project team who will give a short presentation about the United Downs Deep Geothermal Power project.
- Watch an animation about fossil fuels and renewable energy and will teach the pupils about geothermal energy.
- There will be a Q & A session.
- Each pupil will be taken up to the viewing platform to see the drilling rig in action and learn more about the rig and how it works.

As this is during the school day this trip is covered under the trip consent form you have signed.

We are asking for a voluntary contribution of £1.00 towards transport costs.

Yours sincerely

Susannah Storey  
Headteacher
