

Song of Sirens

Ooh ooh ...
Ooh ooh ...

Come closer come closer to me.
Come closer come closer to me.

Dum dum ...
Dum dum ...

1. Haunting song of Sirens [1'17"]
Draw you to your death,
Rocks will crush your vessel
Cursed with every breath.

Serenading Sirens
Ensnare the heart and mind,
A melody of madness
Not from humankind.

Who's going to get you, [1'57"]
Who's going to get you,
Who's going to get you now?
Who's going to get you,
Who's going to get you,
Who's going to get you now?

2. Like a bird and woman [2'05"]
Your voice enchants the soul,
Bring the sailors closer
As waves crash and roll.

Odysseus could listen
They tied him to a mast,
Blocked their ears in silence
And safely journeyed past.

Ooh ooh ...
Ooh ooh ...
