# The Topaz Trumpet

27/04/2020 Edition 3

Welcome to the Topaz Trumpet

Listen to our News

Dear Topaz Class

Mrs Salter, Ms Vallance and Mr Hayes have really enjoyed hearing your news this week and catching up with you all on the phone. We are so pleased that you all seem to be making the most of the outdoors and the great weather we have been enjoying.

Thank you so much for all your wonderful emails and photos telling us and showing us what you have been doing – we can see lots of you have great talents and are learning new skills. Remember, these are celebrated on the last page of the week's learning guide so you can see what your friends have been up to. If you have not sent in a photo yet, we would love to hear from you. Please get your Parents to email us for next week's newsletter

Mr Hayes has been busy walking his dog Flora and working hard on the garden, digging up the weeds and building up a grass bank. When we get back to school it would be good for Topaz Class to do some planting somewhere around the school as a memory of our time at home.

This week's virtue is:

*Helpfulness*

Think about how you can be helpful around your home during the current situation.

- Could you help with tidying up where you have been playing?
- Could you help clean up after family meals?
- Could you keep your room tidy and follow instructions with thought and care?

Last week's **CHALLENGE** was to name the location and painter of this picture.

The answer comes from  
Leo H-W:

St Michael's  
Mount by  
John Dyer.

This week's **CHALLENGE** is:

Look at last week's picture of St Michael's Mount by John Dyer. Can you draw or paint a picture of your garden or a favourite outdoor place in the style of John Dyer the artist.

Photograph the results and email them to us so we can publish them next week.
