

# It's All About Opal...

Edition 10

Week Beginning 22.6.20

## Looking forward to seeing you SOOOOON...

As you will have read from Ms Storey's newsletter we would like to welcome back Reception children the week beginning 22/6/20. A letter and risk assessment will of been sent to you so PLEASE read. To be able to plan for this, we will need an expression of interest from you by 12.00 Tuesday 23rd June to guarantee a place in a small 'bubble' group. This decision remains firmly with families so please READ the information sent so you are able to make an informed decision.

## CLASS ZOOOOOMING NEXT WEEK!

We are so excited to roll this out and see everyone! We will include key worker children who are in school at the time – as they would love to see their class friends. I will continue the phone calls this week (22/6/20) however please note, this virtual contact will replace phone calls for the following weeks (from 6/7/20). However, if you cannot make the zoom session, you can request a phone call for your child by emailing your class teacher. It is important to follow the guidelines so we can make this a safe and happy experience for **everyone- PLEASE SEE ATTACHED BOX** See our website for a great social story on having a successful video call. Please ask your child to think of something they could share that they have achieved or enjoyed during 'lockdown'. If this is successful, we have exciting plans for the weeks ahead so give it a go! For Reception children we will do this altogether as a group and be supported by you.

If you do not have access to any IT equipment at home, please get in contact with Action for Children's IT equipment fund for families by leaving an enquiry on the following website page.
