Welcome to the Topaz Trumpet

Listen to our News

Dear Topaz Class

We hope you have been having a great Easter break with your families. I hope that you have been out hunting down your Easter Eggs and having a great chocolate feast!

Ms Vallance has been making the most of the good weather by spending time in her garden and playing with her daughter in the paddling pool. She promises she has been extra careful by using plenty of sun lotion if she is outside – I hope you do too!

Mr Hayes has built a woodshed for his firewood and he has been catching up with all the DIY jobs around the house. He has also been busy walking his pet dog 'Flora' and keeping his distance from other walkers and runners.

We both look forward to finding out what you have all been up to during the Easter break – any new hobbies? Any books you would recommend for the class to read? Anything you have found out about the Romans from our last topic?

Now we are starting the Summer Term, our new topic will be based on Cornwall. We will be finding out about what is important about living in Cornwall today and in the past. We call finding out about where we live – Local Studies.

With this edition is a timetable for the week. Have a look and work out what you are going to do each day. Your family can help you with this. Alongside the timetable, make good use of your time outside – can you invent a game you can play with your family outside? Think of some rules, how to score and get playing!

Cornwall our home – Just to get this topic started, what can you find out about what was special about Cornwall where you live? Was it the mining? The sandy beaches? Were any of your relative's fisherman or surfers? What makes Cornwall special to you and your family? What can you find out about your family's history in Cornwall. How could you present this information?

VIRTUE OF THE WEEK: 'THANKFULNESS'

Let us be grateful for our families and everything we have – find a reason to say **THANK YOU** to somebody in your house this everyday this week.
