## A message from Ms Storey

SONGFEST 2025 at Truro Cathedral was fabulous thanks to our dedicated choir led by Mr Hughes.

It was an absolute delight to see our children fully engaged, confident and excelling - representing our School superbly. The children were incredible throughout and their smiles and jumps of joy at the end were brilliant to see.

This year, the children performed songs from around the Celtic Nations. From Scotland to the Isle of Man, Brittany and Galicia - the children had to learn various languages from each region. On the night, 150 children from 10 schools came together to showcase these songs and their energy and enthusiasm really shone through.

A massive well done to everyone involved with a special mention to Flo and Reece for smoothly opening the whole show and introducing the band to a packed cathedral - WOW!

Thank you to all the families and staff for supporting this brilliant event. Our creative arts curriculum on offer is making a real difference to all our children. It is wonderful to see so many of our children embracing opportunities and excelling.

## News from around the school

Our Year 3 children represented our school fantastically last week when they took part in the RLG dance event at the Regal Theatre in Redruth.

Joined by a host of other schools from the area, audiences were guided through the decades with dances to hits from artist such as Wham, the Beach Boys, Chuck Berry and many more.

Emerald Class performed an amazing, energetic routine along to Ant and Dec's Let's Get Ready to Rumble!

They did us all so proud and received a huge cheer - well done, Emerald Class!

Every Child, Every Day a Writer...

With the weather getting warmer and brighter, this week we would like you to continue the story of the animals on Butterfly Island!

## Story starter

Butterfly Island was a special place. All the animals were friends and they helped each other. The little bugs felt as important as the big ones. Everyone was happy because they were kind.

### [Raise a concern about a child](#)

If you have immediate concerns or are worried about a child or young person's safety please know that anyone, anytime, can telephone the Multi Agency Referral Unit (MARU) on 0300 123 1116.

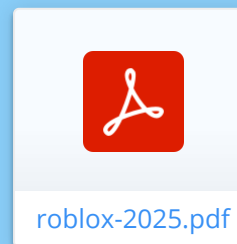

## eSafety Updates

Whilst they can be a great way for friends to socialise, online games like Roblox that allow multiplayer gameplay with strangers are always fraught with a variety of dangers that can expose children to inappropriate or harmful content.

Roblox enables people to play anonymously, which can often be something that attracts people to misuse the game and potentially put young people at risk of harm.

In addition to interacting with random strangers across the world, other factors such as in-game purchases and potential scams can also pose a financial risk.

It's important that parents and educators remain aware of the risks associated with this popular title and how it can be used safely.
