## Vision and Values

We are the **CHANGE-MAKERS** of OUR WORLD!

**ENJOYING, ENGAGING, EXCELLING**

Happy, healthy children, **enjoying** learning for life - surrounded by kind, respectful relationships and **engaging** in rich learning experiences. **Together** we will enable and encourage **ALL** our children to discover their unique gifts of character, talents and abilities. Our children will enthusiastically contribute to society, **excelling** in all they choose to do. They will communicate confidently, listen openly, think critically and question respectfully – our children will be the responsible **Change-Makers of Our World**.

### LIVING OUR VALUES

**ENJOYMENT**

Laughing - Loving - Learning

**ENGAGEMENT**

Communicating - Collaborating - Contributing

**EXCELLENCE**

Be your best - Be even better - Be brilliant

## A message from Ms Storey

The Easter holidays are here! We have had a brilliant term in school with everyone Enjoying, Engaging and Excelling in all aspects of the curriculum and personal development. The feedback we get from visitors is astounding - always about how kind, respectful and engaged our children are. Everyone deserves a restful and happy break. We have had a lovely whole school assembly this morning - with a mountain of eggs generously donated by the St Day Parish Council! Thank you to all the children, staff, parents and governors who supported our Easter event yesterday - a great success, raising in total £458.25 with £54.00 raised by the Year 5/6 for camp. We had great fun drawing the raffle with lots of thrilled winners! A special thank you to Kerrie from 'HoneyBunBakes' for making and donating two incredible Easter cakes - won by Lacey and Denis. Please take a look through our end of term news and celebrations. We are back on Tuesday after the Bank Holiday - wearing green! We look forward to seeing you then.

A big thank you to Katie, parent - governor - for making this event happen and the parent volunteers who helped out. We are always looking for parent volunteers - this is your School - and we are always open to new ideas. Please get in touch!

## News from around the school

We love welcoming our brilliant families in to our school and last week we got to do just that!

Amber and Emerald Classes were very excited to host open afternoons where parents and grandparents got a glimpse of the inspiring equipment we use to bring our computing curriculum to life.

We are so lucky to have access to the most up-to-date equipment, preparing our children for lifelong success, and the children loved showcasing their skills on the Sphero cars, Scratch Junior, Chrome Music Lab and the Micro:Bits.

Of course, no open afternoon would be complete without a performance and some cake - Amber Class wowed with their Spanish singing and Emerald Class performed their brilliant RLG dance!

## News from around the school

This club has allowed our girls the space to consider all things online; from how they can be responsible citizens to how they can avoid scams.

They even had the opportunity to redesign themselves as online characters - becoming the Cyber Guardians of our school! What a brilliant experience facilitated by a real-life tech company based here in Cornwall.

Each week this term, a group of brilliant upper KS2 girls have got together to talk all things tech as part of the amazing and innovative *Cyber Guardians Club* - an online club run by *TecGirls Cornwall* - <https://www.tecgirls.co.uk/>

The TECgirls Cyber Guardians Club is an exciting 8-week adventure for girls in KS2. Through fun challenges, cool activities, and interactive lessons, they'll learn how to stay safe online, spot fake news, protect their privacy, and catch cyber threats. With inspiring role models and hands-on experience, the club is perfect for girls who love puzzles, escape rooms, and games! The programme wraps up with the Ultimate Cyber Guardians Challenge, where they'll put their skills to the test in an epic, team-based competition!

## News from around the school

For the last 10 weeks, Sapphire class have been learning to play the ukulele. Originating in Portugal, this string instrument was adopted by the Hawaiians and has become their signature instrument. From learning to pluck and strum, Sapphire class have mastered a number of chords including C, C7, F and Am. They've thoroughly enjoyed all the brilliant songs we have learned from 'Coconut' by Harry Nilsson to 'The Best Day of Our Lives' by The American Authors. Learning to play a musical instrument is one of our core goals in music. We're delighted Sapphire class had this opportunity to share their progress in assembly. We hope they will continue in the Summer Term.

## News from around the school

We are thrilled to share that Emerald Class won a competition at the Farm and Country Show! As part of their learning about trees and wood, the children took on the challenge of guessing the age of a tree by examining its rings. After careful observation and discussion, they made their prediction—50 years old. We have now received confirmation that their guess was correct!

As a prize, we will be receiving a sapling tree in the autumn term, kindly donated by the foresters. This special tree will serve as a lasting reminder of their success and will allow them to continue their learning journey by observing its growth for years to come.

Well done, Emerald Class—great observational skills!

### National Science Week

As part of National Science Week we were lucky enough to have a brilliant science assembly by Mr Choules and Ms Pascoe, who are science teachers from Redruth School. This year's theme is **Adaptation** and the children had great fun trying out and observing different experiments that demonstrated how animals are adapted to survive in their habitats.

A big thank you to Redruth School for supporting our science week.

OUR POWER, OUR PLANET

## Respect for Children's Views

Rights Respecting Schools: OUR PLANET, OUR FUTURE!

- Our focus for the week: *Campaigning for a sustainable future*

Let's campaign and explore what being a Rights Respecting GLOBAL CITIZEN means. Understanding how making small changes to daily decisions can have a positive impact on the planet and other people e.g. how we use resources in school and at home, how we use energy, reducing, reusing and recycling.

Every Child, Every Day a Writer...

As we arrive at the Easter break, can you keep a diary of what you get up to?

You could draw pictures, describe your days, make a note of the best food you eat or the best games you play.

Maybe you could keep a log of the weather?

Create your diary and bring it in to school to share with your classmates.

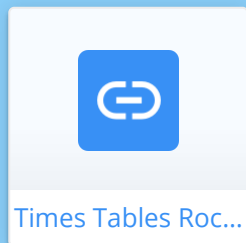

## Maths

Congratulations to all our Rock Super Stars on TTRS. A brilliant term of progress across year groups. A special mention to the children below for upleveling their rock star status in March.

Aubrey, Dexter, Evelyn (Year 2), Ronnie, Oscar, Hollie, Ross, Leo, Jago (Year 3), Tiana (Year 4), Asfiya, Massen, Yavi, Eli (Year 5), Flo (Year 6)

Certificates have been delivered to each child to celebrate their achievements. Well done.

**FOOTBALL ROADSHOW**  
Our Soccer Roadshows are age and football specific with the emphasis on fun, enjoyment and development. Sessions include skills, techniques, competitions and small sided games.

**STRIKERS & GOALKEEPERS**  
This specific day will cover a variety of shooting activities and goalkeeper training. With opportunities for defenders and attackers to showcase their skills.

**GIRLS ONLY ROADSHOW**  
Girls of all abilities have the chance to learn new skills, make new friends and really feel part of the football community. These sessions are in place to shatter any lingering pre-conceptions about women's and girls' football and boost participation whilst learning skills and techniques and playing small sided games.

**SEND ROADSHOW 10AM-3PM**  
Our Special Education Needs and Disability (SEND) Roadshows are inclusive sessions for children with a disability. This can be physical disabilities such as visual and hearing impairments and cerebral palsy, or children with learning needs such as autism and ADHD.

**MINI PILGRIMS 10AM - 11PM**  
Mini Pilgrim football sessions are aimed at three - six year olds, who are experiencing their first taste of a structured coaching session. The sessions are staffed at a ratio of 1 coach to 12 children. The emphasis is to improve the children's listening and concentration skills whilst working on balance and co ordination. The children can develop in a safe and fun environment over the duration of the sessions.

**MULTI SPORTS/SKILLS**  
Chance for participants to undertake a wide range of sports throughout the day. Sports will vary from football, handball, tag rugby plus many more. Each venue and area will offer different sports.

**SHORT BREAKS 10AM-1PM**  
Fun and inclusive football and multi-sport activities for children aged 7-15 with a disability and educational health & care plan (EHCP).
