eSafety Updates

Make sure you save the date, **Safer Internet Day 2025** is happening on **Tuesday 11th February 2025**, and this year celebrations and learnings will be happening around the theme:

Too good to be true? Protecting yourself and others from scams online

We've all received an email with a suspicious link, a text claiming to be from our bank, or even seen a pop-up telling us we have been a lucky winner – but scams take many forms and can target anyone, including young people.

This Safer Internet Day we are starting a conversation about how to spot, respond to and report scams of all types online.

For more information about this brilliant day and how schools will be getting involved, visit - www.saferinternetday.org
