Vision and Values

We are the **CHANGE-MAKERS** of OUR WORLD!

ENJOYING, ENGAGING, EXCELLING

Happy, healthy children, **enjoying** learning for life - surrounded by kind, respectful relationships and **engaging** in rich learning experiences. **Together** we will enable and encourage **ALL** our children to discover their unique gifts of character, talents and abilities. Our children will enthusiastically contribute to society, **excelling** in all they choose to do. They will communicate confidently, listen openly, think critically and question respectfully – our children will be the responsible **Change-Makers of Our World.**

LIVING OUR VALUES

ENJOYMENT

Laughing - Loving - Learning

ENGAGEMENT

Communicating - Collaborating - Contributing

EXCELLENCE

Be your best - Be even better - Be brilliant

Happy Earth Week!

Across school this week we have been immersed in a variety of activities related to Earth Week 2025.

From letter writing to interactive live online lessons to art activities to simply enjoying our wonderful outside grounds, every child has had time and space to consider their relationship with our planet and how they can have a positive impact on its future.

The whole week has been linked with the United Nations Global Goals. These goals form the next important step on our Rights Respecting School journey and will be embedded throughout school over the coming term.

THE GLOBAL GOALS
For Sustainable Development

A message from Ms Storey

WELCOME BACK EVERYONE!

What a fantastic week we have had learning about and celebrating our place on the planet with 'Earth Week'. Our children always amaze me with their creative ideas and actions on how we can work collaboratively - taking joint responsibility in making a lasting difference to the future. I hope you heard Ms Horne on the radio talking all about this and what a fantastic contribution our children make.

A big thank you to all our wonderful volunteers this week - Jimmie's parents have taught Opal class all about the incredible world of bees - look out for photos next week. Rosi, Penny and Chris- thank you for teaching every child 'Maypole' dancing - great fun was had by all! Do come along at the weekend for the 'Blossailing'- your children will love joining in!

News from around the school

Another part of our Earth Week celebrations has seen all children out on the field dancing around the maypole!

As well as being brilliant fun, this traditional dance will form a part of the Blossail celebrations happening in the village this weekend.

All families are invited to attend and join in - the words to the song can be found in the PDF attached to this page.

Full details of this celebratory event can be found on the next page.

If you wish to take part, please gather at the Clock Tower at 5pm on Saturday.

Here We Come a Blossailing, a Blossailing...

St Day's Community Celebration
Meet @St Day Clock Tower

continue with

Candlelit Procession to the Old Church
to Carry on the Music, Dance and Merriment

Refreshments, Cider, Homemade Cakes, Soups

Free Entry

Close 9.30pm

News from around the school

As part of Earth Week, Sapphire Class have been busy revitalising our outdoor growing spaces. The children worked brilliantly digging over the allotment, weeding and sorting our new school shed. This year, we are trialling a no-dig approach. A number of our growing beds were covered in cardboard then new compost was added ready for planting in the coming weeks. Soon, we will have flowers and food galore.

News from around the school

Before the Easter break, Sapphire children had a brilliant experience at Redruth Secondary School exploring a variety of science activities. Children had the opportunity to be scientists by completing a number of experiments around space, light and motion. Great teamwork was promoted throughout and the children engaged from start to finish.

eSafety Updates

Livestreaming is now a major part of children's entertainment, evolving from gamers sharing screens into a booming industry with diverse personalities.

While watching streamers can be entertaining, it comes with no small number of risks for children, such as misinformation, negative influences, and inappropriate content.

With over 2.5 million viewers on Twitch – the current most popular streaming platform – at any one time, this guide highlights the potential dangers associated with watching livestreams and the importance of staying informed.
