Vision and Values

We are the **CHANGE-MAKERS** of OUR WORLD!

ENJOYING, ENGAGING, EXCELLING

Happy, healthy children, **enjoying** learning for life - surrounded by kind, respectful relationships and **engaging** in rich learning experiences. **Together** we will enable and encourage **ALL** our children to discover their unique gifts of character, talents and abilities. Our children will enthusiastically contribute to society, **excelling** in all they choose to do. They will communicate confidently, listen openly, think critically and question respectfully – our children will be the responsible **Change-Makers of Our World.**

LIVING OUR VALUES

ENJOYMENT

Laughing - Loving - Learning

ENGAGEMENT

Communicating - Collaborating - Contributing

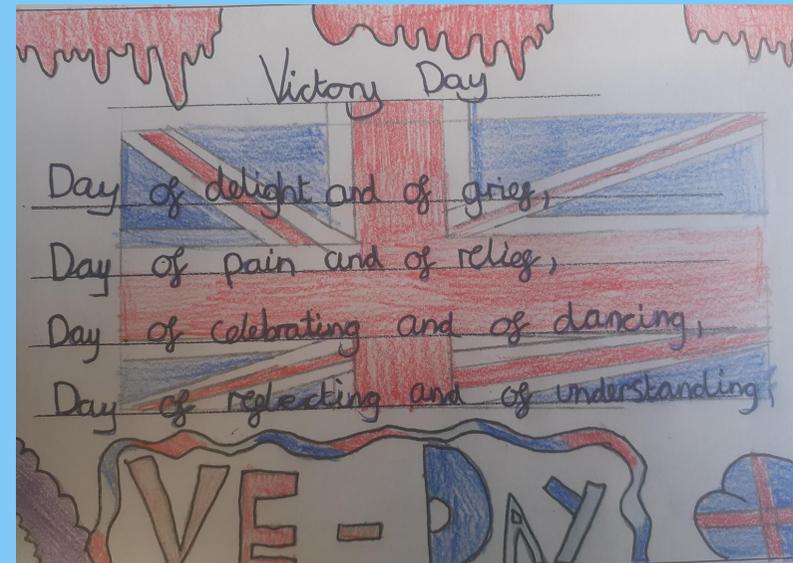

EXCELLENCE

Be your best - Be even better - Be brilliant

A message from Ms Storey

Across school on Thursday all classes fell silent for two minutes at 12:00 to mark VE Day. This moment of shared respect and remembrance was the culmination of a week of wider conversations across school where we remembered those who have given their lives for our country throughout history. Our children discussed British Values and linked the whole conversation to the UN Rights of the child as well as the Global Goals.

In other news, our children are so lucky to enjoy our wonderful grounds with learning happening in our outdoor spaces. Next week our Year 6 children will take advantage of this space as they balance SATs with extra breaks and activities - surprisingly it is a week we all enjoy and I know our children will do their very best and be brilliant, supported by a great staff team!

News from around the school

Our children discussed British Values and linked about VE Day to the UN Rights of the child as well as the Global Goals.

News from around the school

Last week was full of outdoor learning for Opal – we made the most of the beautiful weather!

We are so lucky at St Day and Carharrack school to have such beautiful grounds to explore and enjoy.

On our adventure to find different flowering plants we discovered bees buzzing, collecting the nectar in the blossom and learnt about the structure of plants.

In order to learn more about where seeds come from our 'scientists' looked closely at different types of fruit discovering the variety of seeds within, drawing detailed and colourful pictures.

News from around the school

News from around the school

On Thursday, a group of our Year 1 and 2 children attended a Quick Cricket tournament at Falmouth Cricket Club!

It was such a wonderful afternoon for the children. They played four games against other schools and played excellently - displaying our school values of Enjoy, Engage and Excel during every part of the event.

They represented our school beautifully and learned some new skills which they are very excited to share in school.

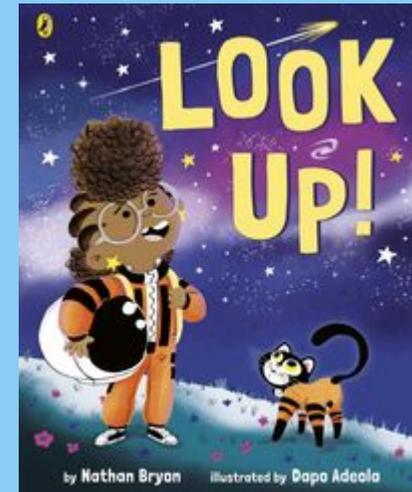

Well done, everyone and a big thank you to parents for supporting!

News from around the school

Amber Class are poets!

This week we have been looking closely at our class text - *Look Up!*

This brilliant book is all about the importance of looking up from our tech to take in the wonders of the universe and we love it! We have been looking at the language used in the book and finding rhyming words before creating rhyming sentences ready to rewrite the blurb as a class poem next week.

Maths

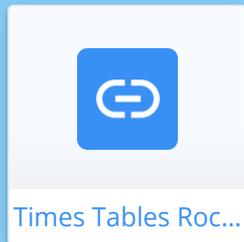

TIMES TABLES ROCK STARS

Congratulations to all our Rock Super Stars on TTRS. A brilliant term of progress across year groups. A special mention to the children below for upleveling their rock star status in March.

Lex-Mai, Evie, Jago (Year 4), Oscar (Year 5), Ola, Rusty (Year 6)

A special mention to Oscar in Year 5 on becoming the ultimate Rock Hero!

Certificates have been delivered to each child to celebrate their achievements. Well done.
