## A message from Ms Storey

How lucky are we - a brilliant Sports Day today! Congratulations to all of our children for Engaging, Enjoying and Excelling - doing their best every time and encouraging each other. There was a lovely atmosphere on the field, perfect weather and happy children - big thanks to everyone for making this day happen and run so smoothly. It looks like we will have a running club from September!

Please enjoy the photos which follow - celebrating many wonderful memories made during our Adventure Learning Week. If you have any ideas or changes about Adventure Learning Week - it is not too late to share - please pop into the office and complete a form - we value everyone's opinion in making this even better next year.

Next week, our children will have a transition day with their new class, teacher and learning support assistant - this is an exciting time, ensuring everyone is keen to come back in September and putting in additional support if necessary. If you wish to discuss any changes, please do not hesitate to catch me next week. Please be reassured that staff work closely together in ensuring all key information is passed on.

Have a great weekend - I hope everyone sleeps well tonight!

# eSafety Updates

Occurring through messaging apps, on social media and in online games, group chats are among the most popular ways that young people engage with their peers online.

Involving, by definition, three or more individuals, these groups allow users to send messages, images and videos to everyone in one place.

While they are useful for helping friends, people with shared interests or members of a club to communicate and coordinate activities, they can also leave young people feeling excluded and bullied – as well as providing opportunities for inappropriate content to be shared and viewed.

In the guide, you'll find tips on a number of potential risks such as bullying, inappropriate content and unknown members.
