ENJOYING, ENGAGING, EXCELLING

Happy, healthy children, **enjoying** learning for life - surrounded by kind, respectful relationships and **engaging** in rich learning experiences. **Together** we will enable and encourage **ALL** our children to discover their unique gifts of character, talents and abilities. Our children will enthusiastically contribute to society, **excelling** in all they choose to do. They will communicate confidently, listen openly, think critically and question respectfully – our children will be the responsible **Change-Makers of Our World**.

EXCELLENCE

Be your best - Be even better - Be brilliant

A message from Ms Storey

A big CONGRATULATIONS to our wonderfully committed Year 6 children for engaging, enjoying (yes - enjoying- we have pupil voice affirming this!) and excelling in their recent SATs outcomes - placing them, yet again, above National expectations for Maths, English Reading and Writing outcomes and above National at the 'greater depth' standard. The combined efforts of everyone supporting each other - staff, children, parents and governors - has made this possible. Not only do our children excel academically - they are well rounded individuals enjoying all opportunities offered to them. Well done everyone!

Please enjoy your child's report - it was an absolute pleasure to read about everyone's achievements and aspirations for next year - what a great school community we have!

In other news, our St Day and Carharrack children have hit the newspapers this week - all for the right reasons - in ensuring their voice is heard and actions are followed through. Our children use their voices to campaign on issues that they believe in. They are the changemakers of tomorrow (and today!).

- Article 12 - Respect For Children's Views
- Article 13 - Sharing Thoughts Freely

We are so proud of their efforts and can't wait to see what happens next! A super well done to everyone involved! Click on the links to read all about it!

Please enjoy the beautiful FEAST and Sports Day photos. Remember non-uniform days next week! It is hard to believe that we are entering our final week - it will be a great one as always!

Considering Articles 8 (Identity) and 28 (Access to Education), our children have shared with us what helps them to learn most effectively. As such, Young People Cornwall have supported our school to purchase a range of different learning aids - chosen by the children - to benefit everyone in school from September.

eSafety Updates

Last year, around one in five children aged 10–15 in England and Wales admitted experiencing online bullying: most commonly being insulted or sworn at, or having hurtful messages sent about them.

To a child who's being bullied online, the world can seem like a bleak, negative place – but just one kind word can be a ray of hope: a turning point that brightens someone's day and resets their perspective. We're bringing you ten top tips for beating online bullying by replacing it with kindness.

In our guide, you'll find helpful tips on reaching out, thinking before commenting and recommending fun things.
