Autumn Term Rights Focus

Across all classes, we are building positive relationships and discussing the **United Nations Convention on the Rights of the Child**. Staff and children are working together to create safe and happy classrooms where everyone's voice is heard and we can all **Enjoy, Engage, and Excel**. Every class has now completed their very own 'Class Charter' to support a positive learning environment and to ensure that 'Rights' are respected, protected and promoted for everyone in our School community. Please go to your child's class page to view their Class Charter.

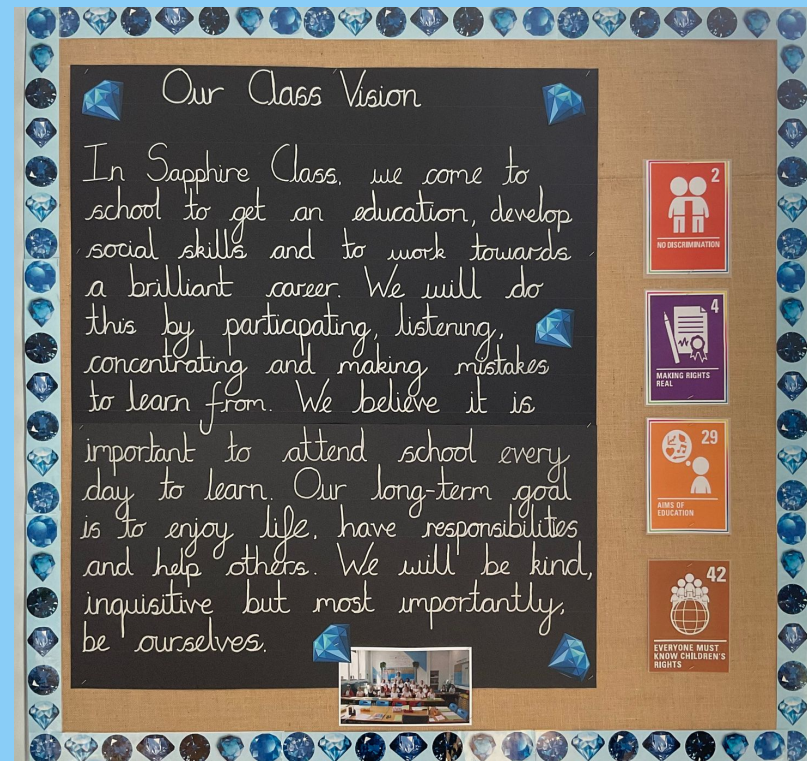

We are working towards GOLD...

A message from Ms Storey

Thank you for being able to make it for our 'Open Afternoon' - this always means so much to the children and your feedback is always welcome and appreciated. Our classroom environments are welcoming and I hope you could get a sense of all the learning that has already happened! We have had a number of visitors over the last few weeks and everyone has been amazed at how our children treat each other with kindness and talk about the Convention on the Rights of the Child so eloquently. As you are aware, each class has it's own Charter - can your child tell you about it? We remain focused on '**Every Child, Every Day - a Reader and a Writer**' - Please encourage your child to have a go at our writing challenge this week! You can capture their ideas for them in the first instance by recording or scribing for them. Enjoy!

News from around the school

Next Friday (4th October - 1:15pm) we are very excited to invite all KS1 parents in to join us for a harvest celebration! We will be busy cooking a special harvest soup with bread to share and we will also share a special song we are learning together.

The link below will take you to the video so your child can practise at home. It will certainly stick in your head - we love it!

News from around the school

Valuing Difference...

Emerald Class spoke about the importance of valuing each other by listening respectfully. All of the children participated in a word game where they had to listen to each other carefully.

"It is important to listen when we cross the road"
Ronnie

"Listening helps us to learn in the classroom"
Lara

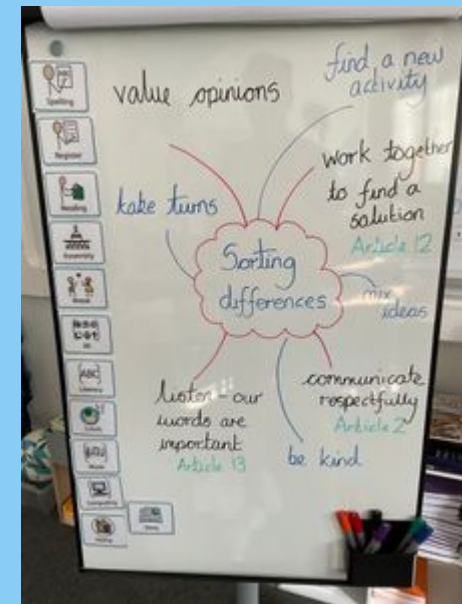

"It is important to listen to each other so we can learn things about our friends"
Trevelyan

Sapphire children found solutions to situations where people don't agree. By the end of the lesson, they developed strategies and skills they could apply when finding themselves in a similar situation. We linked these to our Rights and Classroom Vision. A brilliant lesson to share thoughts and ideas.

"If we didn't listen to each other it would have been hard to remember what the other person said"

eSafety Updates

All of our children understand that esafety is very important so alongside our curriculum we take part in regular assemblies to discuss key themes. Last week EYFS and KS1 got together and talked about how to react to things online that make us feel worried, scared or uncomfortable. Tap the video to check out our clever way of remembering what to do!

'Every Child, Every Day - a Reader and a Writer'

In reading assembly this week, we shared the book *A Dark, Dark Tale* by Ruth Brown. Can you make your own zig-zag book and as a family write your own Dark, Dark Tale?

Ideas to think about might include: on a dark, dark football pitch, in a dark, dark supermarket, in a dark, dark school, in a dark, dark park. **Please bring in any writing to share with the rest of the school.**
