A message from Ms Storey

Wow, we certainly know how to fill our days at St Day & Carharrack! From theatre trips to sporting events to museum visits to Feast celebrations... the list could go on and on!

Our children have been positively engaged at every opportunity and it has been noticed and commented on by everyone we have encountered. The children really are a credit to our school community and we couldn't be prouder of them.

A huge thank you to all staff in school who have worked tirelessly to ensure Actively Belonging Adventures have been successful. There is so much that goes on behind the scenes to allow these brilliant opportunities and it couldn't happen without our excellent staff team who give freely of their time to ensure everyone is included.

It's been a fantastic month in school and across our wider community and we aren't done yet! Surfing has happened this week and sleepovers are in progress! We have lots of exciting activities coming up in July so please ensure children are in school each day to access their enrichment curriculum entitlement.

News from around the school- Active Outdoors

This month, the children have been continuing to develop their skills on using tools safely to make nature nametags. They have created their own games and had fun in the mud kitchen.

RLG Awards Celebrations

On the 11th June we celebrated some of our children's wonderful achievements at the Redruth Learning Group prestigious awards evening.

Our school is part of the Redruth Learning Group, a collaboration of schools in the Redruth community who work together to provide an outstanding education and to celebrate the exceptional young people who live here.

The awards evening celebrated the many achievements of our pupils - of which we are very proud. Well done to all our award winners! Not only this, our School and School Choir had the privilege of opening the whole evening and inspiring everyone present. Thank you choir - you were brave and sounded amazing!

News from around the school- Opal Class

Opal Class enjoyed a fantastic start to the term with a visit to Falmouth Maritime Museum. The children were a credit to the school, showing great enthusiasm, curiosity, respect and kindness throughout the day. They met a cheeky sea sprite, Oceanna, who shared stories about the sea, before learning how to make boats and testing them in the Maritime pool.

Actively Belonging Adventures Week - Opal Class

Opal Class had an exciting and memorable ABA Week, full of adventure and creativity! The children enjoyed a 'Nature Ninja Day', learning about how to protect our environment. They created junk model octopuses, made nature crowns outdoors, and enjoyed a picnic in the park with Emerald Class. Year 1 visited the Minack Theatre to watch *Pinocchio*, while Reception took part in a mini-beast day, dressing up and designing bug biscuits for their 'bug ball'. On Mindfulness Day, the Kindness Ninjas returned, with the children making friendship sunshines and spending time outdoors supporting their mental health. The week ended with a fantastic Sports Day - well done everyone!

Actively Belonging Adventures Week- Emerald Class

Our ABA Week has been full of fun and memorable experiences! The children enjoyed a 'Nature Ninja Day', making seed bombs and baking hevva cake for a picnic in the park. A highlight was our trip to the Minack Theatre to watch *Pinocchio* - walking the hill on the hottest day - well done everyone! On Mindfulness Day, everyone created dreamcatchers and we finished the week with a fantastic Sports Day, where everyone showed great teamwork, determination and sportsmanship. It has been a wonderful week of fun, learning and adventure!

News from around the school - Emerald Class

We were delighted to welcome some very special visitors to Emerald Class this term – Ezmee's adorable Indian Runner ducklings! A huge thank you to Ezmee's mum and dad for bringing them in to share with us. The children loved learning about the ducklings and were thrilled to have the opportunity to gently hold and cuddle them. They were incredibly cute, and it was a wonderful hands-on experience that brought lots of smiles and excitement to our classroom!

News from around the school - Emerald Class

As part of our Go Cornish learning, Emerald Class has been enjoying exploring the Cornish language through the wonderful *Tales of Porth* by Will Coleman. The children have been learning some of the basics of the Cornish language, alongside the names of different animals and characters from the story. They have loved listening to the tales and are becoming increasingly confident using Cornish words and phrases, helping them to celebrate and connect with Cornwall's rich language and heritage.

Actively Belonging Week - Sapphire Class

Sapphire Class had an amazing time taking part in Actively Belonging Adventures, from Task Master challenges to surfing, STEM rocket launching to sports day! They were so enthusiastic, kind, determined and resilient and we couldn't be prouder of them!

News from around the school - Individual Achievement

We love hearing about all of the brilliant things our children get up to outside of school and this month we are excited to share Jimmie's incredible achievements!

He rides an Oset electric trials bike and competes all over Cornwall throughout the year. He recently ranked as first place after six months of competing in the championship - wow!

Well done, Jimmie!

Parent Engagement - Summer Reading Challenge

The Cornwall Reading Challenge is a free programme for children which takes place every summer in libraries across Cornwall. It encourages children to keep reading during the school holidays, helping to prevent the "summer reading dip" and build a lifelong love of books. It is open to all ages and abilities.

Extraordinary Explorers

This summer, Extraordinary Explorers invites children to follow their curiosity and explore the things they love through reading. From sport to science, art to adventure, every book is a chance to go deeper and discover more. All this whilst building confidence and supporting literacy and well being.

You can find out more information here - <https://www.cornwall.gov.uk/libraries-museums-and-archives/libraries/the-cornwall-reading-challenge/>
