#### What are progress scores?

In order to calculate progress measures, pupils' results at Key Stage 2 are compared to the achievements of other pupils across the country who had a similar starting point (prior attainment). Prior attainment is based on teacher assessment judgements at Key Stage 1.

#### What is an average scaled score?

A scaled score between 100 and 120 shows the pupil has met the expected standard in the test. The lowest scaled score that can be awarded on a KS2 test is 80. The highest score is 120.

#### End of Key Stage 2 attainment outcomes 2024

	National	School
% of children who achieved the expected standard in reading, writing and maths (combined)	61%	74%
% of children who achieved the greater depth standard in reading, writing and maths (combined)	6.8%	4%
